Flexible Spending Account (FSA)

A Health FSA lets you set aside pre-tax dollars to pay for qualified out-of-pocket medical expenses for yourself and your tax dependents — no matter which health plan you're enrolled in. It's a simple, effective way to save up to 30% on everyday healthcare costs.

Examples of FSA Eligible Items

- Co-pays & Deductibles Dental, Vision, and Orthodontic Expenses
- Durable Medical Equipment
- Feminine Care Products
- Over-the-Counter Items
- Personal Protective Equipment (PPE)
- Prescription Drug Costs

Dual-Purpose Expense Examples

Dual-purpose expenses are everyday health items that may also qualify for reimbursement when prescribed by a doctor to treat a specific medical condition.

- Massage Therapy
- Supplement
- Vitamins

Spending Account Timelines

Spending accounts have deadlines for spending, which may vary based on your circumstances.

Not sure where to find your deadlines? Simply follow these steps:

Step 1. Log in to your portal on your computer or mobile device.

Step 2. Click on your FSA details to view eligible expenses and remaining balance.

Step 3. Scroll down to view your plan dates and confirm your spending aligns with the deadlines.

Remember: unused funds may not roll over at year end. Check your plan details for grace period or rollover provisions.
