Benefit Card Mobile Wallet Instructions

Use your Benefit Card for compatible Spending Account plans right from your phone.

With the Igoe mobile app, you can add your benefit card to Apple Pay® or Google Pay™ in just a few taps — no manual card entry required.

What You'll Need

- The Igoe Mobile App
- An active benefit card
- Apple Pay® or Google Pay™ set up on your device

Step 1

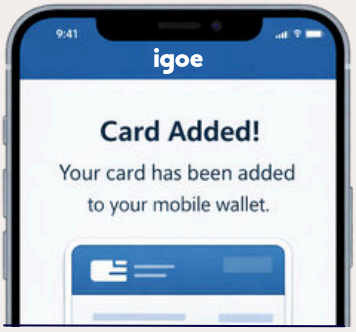
Open the Igoe mobile app and sign in.
Click on the person icon in the upper right corner.
Click on **Cards** in the menu to navigate to your benefit card section.

Step 2

Tap Add to Apple Pay® or Add to Google Pay™.

Step 3

Confirm your card and follow the on-screen instructions to finish setup. No manual card entry required.



Your card is ready to use

Your benefit card is now available in your mobile wallet anywhere your card is accepted.

Why use a Mobile Wallet?

- Fast and convenient payments
- Secure mobile wallet technology
- No need to carry your physical card
